WHO WE ARE

ANA is founded by successful entrepreneurs Dr Renuka Prasad K.V, and Dr Jyothi R Prasad, The company aims to provide complete services from the IT side. World has become so small that everything is just a fingertip away. We are into the computer world and hence there is a need to be computerised. ANA MAKE IT POSSIBLE.

-Yes we are new in this IT field, but we are not less to any other software development organization.

-We are not ready to compromise in the quality of the product which we develop.

-We have group of young engineers who are too enthusiastic in their work.

-Our guys are innovative and we have lot and lot and lots of ideas with us, just need a platform to exhibit it.

-We have successfully developed and maintaining websites of various organizations like schools, colleges, temples and companies.

OUR VISION

We aim to establish long-term customer relationships based on trust and a commitment to produce best quality software development, website design and web development. We understand that our success depends on our clients, that's why the success of your business is our highest priority.

OUR CULTURE

We have created a culture of teamwork and empowerment. Each team member is an integral part of the whole. They are empowered to make and suggest directions of the company. This environment of supportive collaboration allows us to foster the spirit of innovation. It is this spirit that enhances the values of our company and inspires growth.
